To help in organizing club functions, we need the participation of our members. We hold club meetings on the second Thursday of each month at 6:30 pm (currently at the Carson City Airport Terminal, 2600 College Pkwy., Cason City, NV.) All are encouraged to attend.

I wish to apply for an Associate Membership in the High Sierra Radio Control Club of Carson City, Nevada. I understand and agree that as a member of HSRCC I will maintain my current ROAR or AMA membership and will follow the HSRCC Field Safety and Courtesy Rules. I also understand that the associate membership allows me to participate in the use of the car track only. As an Associate Member, I will qualify for \$5.00 off each sponsored race.
