The High Sierra Radio Control Club Newsletter - January 2007 Edition

Next Meeting - 7:00 pm, January 9th at the Round Table Pizza on East College Pkwy.

Happy New Year

Be always at war with your vices, at peace with your neighbors,
and let each new year find you a better man.

~Benjamin Franklin

Did you have fun at the Christmas Party? For those who did not attend, Don Morse won the big raffle prize, a 6 meter glider. Bill Smith also won another plane! Can't remember who won the other prizes, and I only had one beer! Congratulations to all who won! The company and the food were great.

Is that a peace or a victory sign Tom?

Thanks!

At the club Christmas Party I was welcomed by so many members who stopped by where I was sitting to tell me how happy they were to see me. I was truly gratified to receive the heartfelt best wishes from so many club members. Thank you, all very much. You gladden an old man's heart!

Frank E. Chase

Found on the "Web"

<http://www.mmrc.org/lance/sledframe.html>

"Yes, it's a SR-71 Blackbird, also known as the Sled. This beastie will be 1/8 scale, which will put the final size at exactly 13 feet

long, and 2 inches short of a 7 foot wingspan. Final dry weight I'm shooting for, is 45 lbs, and is to be powered by 2 AMT Mercuries." Truly amazing workmanship. What you are looking at is the "plug" and the top and bottom "molds."

Correction - Sorry, but I messed up the web site address on the last newsletter. Some of them I corrected by hand, some I missed. Glad that was the only mistake I have ever made in my life! The correct address is:

www.etxeto.com/hsrc.html

Check out the weather report page!
