Carson City, Nevada

November 2009 Edition

Next Meeting – Thursday, November 12th, Carson City Airport Terminal – 6:30 pm

You can run but you can't hide! Found you foolin' around at another club. Hope it was worth it. Hope it was fun!

Gene competing at WDA last September.

Presidents Corner:

At the October meeting the dues issue was decided as follows: As of January 2010 all club members that use the car track only will pay annual dues of \$25.00 per year. As members of HSRCC they will be eligible for reduced entry fees on all race events. The fee structure for new flying members will remain unchanged.

At the November meeting we will be electing board members for the New Year. If you have an interest in serving on the board please let it be known. The club will be the ultimate winner with new approaches and ideas.

The season is drawing to a close so get out and enjoy what is left, by safe and good flying.

Merry Christmas early! For those of you that are members of the club, you will notice an enclosed DVD. This was a fast and dirty attempt to put together most of the photos that I have collected during the last 3 years into a movie. I burned about 65 discs over a week's time. I think I wore out my computer! There are no captions this time, just a collection of pictures in somewhat chronological order. If for some reason, your movie does not play on your DVD or computer, let me know and I will send a replacement. Enjoy!

Next meeting is the election of officers. Do your part and run for an office or vote. Vote early and vote often! It's the last meeting of the year as well. See you there!

Christmas Party – Thursday, December 10th

Mark this date on your appointment calendar! Dinner starts at 6pm at the Carson City Fandango. Cost is \$20.00 per person. Good food! There will be a door prize this year. We will be giving away a 60 size Kangke Monocoup! We will also be holding a white elephant gift exchange. If you want to try this, bring a wrapped gift to put under the tree appropriate for either a man or a women, value no more than \$20.

Thursday, December 10th - Christmas Party

Attention – Attention - Attention

I lost some information on our Member Roster. Please call me (356-5755) or email me (dan@hsrcc.com) if your name appears below. I need a phone number and/or email address:

Michael Dietrich, Ray English, David Guenther, Dan Hasfurther, Lance Morrison.

Not sure if any of you know him, but Loren Feeney passed away 8/30/09. Loren was an associate member with the club and was living in Sanger, CA, at least as long as I have been newsletter editor. I sent condolences to his son on behalf of the club.

Hey, we have two new members this month! Welcome to **Norm Moore** in South Lake and **Don Karr** of Carson City. Both are new to RC and will be learning to fly. You guys pay no attention to the airplane graveyard on the other side of the runway. That's there for the more experienced pilots, who "**fly like it like you stole it**"! Again, welcome aboard!

Thank you HSRCC Members !!

Tom Howell and I would like to thank you for responding to our phone survey as to who is going to the Christmas Party. We had to be sure that enough of us were going to justify the cost. You're the best!

Please keep **Glen Stoffer** in your thoughts and prayers. He is undergoing chemo-therapy. This is a hard road to take, but I know you're up to it Glen! You're a fighter. God bless you.

Happy Thanksgiving HSRCC !

Gratitude unlocks the fullness of life. It turns what we have into enough, and more. It turns denial into acceptance, chaos to order, confusion to clarity. It can turn a meal into a feast, a house into a home, a stranger into a friend. Gratitude makes sense of our past, brings peace for today and creates a vision for tomorrow. ~Melody Beattie
