Happy 4th of July

**Next Meeting - Tuesday, July 10th at 6:30 p.m. in The Pizza Factory.
 3120 Highway 50 East #3 , corner of Airport Road next to The Dairy Queen**

**AT THE FIELD
 SWAP MEET
 SATURDAY JULY 7TH**
 Bring your stuff ,grab a table, sell ! First come, first Served.
 8:00 a.m. till Gone !

The Carson City Airport Open House was a great success. Gene Frye, Tom Howell, Dale and Sarah Singleton, Don Morse, Ray English, Tom Reinbolt, Harold Siegfried, and myself rallied up at 7:00 a.m. Saturday Morning to set up our stand. The weather was fantastic exceeded only by Gene's flying. Gene was joined by Don Morse, Ray English, and guest from the Sagebrush Flyers .Gene flew four different times throughout the day. As a result of our hard work at the new Aviation Technology Center our both location was moved front and center, directly outside the Center entrance

There was a good crowd this year. We raised almost \$200.00 in ticket sales for the Veterans Guest House, and gave out over 100 lollipops and the "Veteran's Tribute" remembrances provided by Rhonda Reinbolt. Some old friends came by including Jim Stimson. It was great to see Jim out and about again.-BJ

We published some of the photos from the Hickey Day Fun-fly last month, but we had a lot more, so here are some of them. This is truly a fun event with lots of different planes represented along with a lot of great fliers. The field was beautiful to look at and great to fly off as well. Nice soft green grass. Out host, Mike Hickey and his crew fired up the grill and treated everyone to delicious hamburgers, hot dogs and all the trimmings. I was please to be told "we are all invited to the next one, which maybe as early as this fall. I hope so. -BJ

There was lot's of interesting planes on the flight line. Flyers from Reno and Carson were present. Mike Hikey's Big Bird put on a fantastic flight demo under control by Bob Heitkamp. Low, slow, inverted passes too.

There were many scale looking take offs and landings. The best was this 12" to the foot Aviat Husky A-1B complete with a canine co-pilot with her own earphones. Beautiful dog and airplane. Nice Pilot too.

Jeff Weisend flew several of his magnificent electric models, namely this superb electric B-24. So real . Jeff is also the Editor of the Newsletter at the Sagebrush Flyer's RC Club in Gardnerville, NV.

Meanwhile back at our the field the Cubs Scouts conducted their annual rocket launch and awards ceremony. It was my first opportunity to see this event and it was very interesting to see the various rockets built by the scouts and experience their enthusiasm for model rocketry. BJ

We had a great day flying at the Boca Reservoir on June 13th with myself, Harold Siegfried, Tom Reinbolt, Gary Fuller, Fred Chapin, Louie Scheel, Paul Bigelow, Bob Petten, and Reno Jacobs. We also had some great guests including my wife Mary, Sherry Siegfried, Rhonda Reinbolt, and Bill Duckworth. Also present was a large contingent of flyers from Reno. The weather and scenery was absolutely fantastic and the lake was mirror smooth.-BJ

Reno Jacobs and Bill Duckworth take in the scenery from Mother Nature's sofa. The water level was lower this year giving us a fantastic long beach with easy access to the water. Just back up your vehicle, unload and fly. Lot's of great models to admire. Largest I recall was the 30% Super Cub. BJ

And there were Neptunes. One glow powered and my electric which finally made a complete flight without catching on fire. It really does fly nice and is very maneuverable, as demonstrated by test pilot Mr. "T" Reinbolt.

The Good, the Bad, and the Ugly... Paul Bigelow's GWS Estarter with an upgraded motor flew fantastically. Unfortunately, there was need for the rescue kayak and Fred Chapin had several great flights. Fun day.... BJ

Bob Heitkamps immaculate S.P.A.D.

It is really amazing when a craftsman like Bob can take a beautiful ARF model, strip it down to the bare frame and come up with this.-BJ

The HSRCC Store is open... See Bob the Store-keep. Supplies and sizes are limited so please.... Email or call Bob Jones to reserve your cap and shirt size. You can pay Bob J. or Frank Gomez cash or check. It will great to have club gear to wear at our upcoming events, so don't miss out. Caps are on hand and shirts will be available Tuesday, July 3rd. Order yours now-BJ

**The official HSRCC Club
Cap -Tan
\$15.00**

**The official HSRCC Club
Tee Shirt - White
\$18.00**

70 YEARS AGO... At the Carson High School Assembly, 30 certificates were presented to 18 high school boys who participated in a scale model aircraft project sponsored by the Bureau of Aeronautics of the U.S. Navy. The models were used to train Navy fliers.

Gomez Gold at the next meeting ...

\$167.00

Our crew is pretty much set for our Death Ride 2012 assignment but there is still time for you to volunteer to help us out. In addition, we are taking a work-party down there on Wednesday, July 11th after breakfast to put out cones along the highway, mark off the VIP parking area and hang the Raffle Plane in the Headquarters Building.

Helping the work-party out on Wednesday will qualify you for the "Famous Death Ride Tee Shirt"-BJ
