The HSRCC 2012 Open House Was a Great Success

Our sincerest thanks and appreciation goes out to the members of the Sierra Sagebrush Flyers, Sierra Silent Soarers, High Desert RC Club, and the Reno RC Club for showing up in great numbers with their great flyers, their spouses and airplanes. Last but not least, I want to thank the members of HSRCC who worked hard make the event possible. We had over fifty flyers and 81 planes participating.

The HSRCC choice to support of the Veteran's Guest House in Reno this year culminated with a great day of flying and generosity. With the support of our sister clubs in Northern Nevada we generated over six-hundred dollars in additional funds for the Guest House. Combined with our previous fund raising efforts with the raffle plane at the California Death Ride 2012 and other local club activities we will be presenting our great friend, Noreen Leary, Chief Operating Officer at the Guest House with a nice check at our Christmas Party on December 12th at the Casino Fandango. You have to come to the Christmas Party to find out how much the check is for.

All totaled; 1785 raffle tickets were sold through out the year. In February, Kirk Baron of Carson City bought the first ticket and at the Open House he bought the last ticket sold (with some more tickets in between). Our "Queen of Raffle Sales", Mrs. Sherry Siegfried, reached into the barrel and drew one of those "in-between" tickets. We can't wait to see it fly. Congratulations Kirk.-BJ

Webmaster

Dan Etcheto

We extend a special thank you to Harold Siegfried for covering our Open House with his camera. Harold was on the scene from the time we started until the finish. His help is much appreciated by the Newsletter editor and has made a great contribution toward making the newsletter the way you like it. -BJ

We say it again... The Open House was a great success in part, because of the support of the "Outsiders". Mr. "T"'s son, Joe Reinbolt, has provided us with sound at many of our events. This year was no exception. Joe provided us with a great sound system as well as his very special play list of music and sound effects. -BJ

On the Cover... Noreen, Gary, and Bob enjoy a moment after the end of Noreen's first flight with the Super Myst.

Thanks to Ron Rohn for this cartoon. We do love our models on runways.

It's that time of year again.... Who will be the lucky recipient of the 2012 ACES Award? After careful tabulation and due consideration of circumstances surrounding all of our unfortunate mishaps (crashes), last year's custodian, Tom Reinbolt has made his decision. Tom tells me although much thought, consideration, and personal emotion was involved, it was only possible to come to one conclusion after all the debris and facts were fairly examined and carefully considered. You will not want to miss his presentation at the annual Christmas Party.
