From the President....

At our last club meeting we amended our By-laws to reflect the changes we proposed in the last newsletter. The amendments modified the number of official meetings the club has from 12 to four per year (quarterly). As a result, our next meeting will be October 19th, 2013. The date of election of officers was also changed from November to October of each year, at the October 19th meeting we will nominate and elect our officers for next year. Needless to say this is an important meeting.

At the meeting, we discussed next years Board of Directors. I expressed my desire to serve as president for another term and two of our current officers expressed their desire to retire from office. As it stands now, the slate of officers for 2014 is as follows:

Bob Jones-President

Don Morse- Vice President

Frank Gomez- Treasurer

Secretary- Open

Field Marshal- Tom Reinbolt

Safety Officer- Open

Bob Jones- Newsletter Editor

Dan Etcheto- Webmaster

Nominations are still open. If there is a position you would like to fill, simply make your interest known and it will be published in the next Newsletter. **WE NEED A SECRETARY AND A SAFETY OFFICER.** Your support will be greatly appreciated by the club and you will get some enjoyment from serving as well. All you need to do is raise your hand.

The club will provide lunch at the meeting, After the election we will discuss our plans for next year. One of the reasons for moving the meeting to the field is to allow more of you to have input into planning our activities, so please take advantage of the change.- Bob

Happy Birthday!

Tom makes the news.... Model Airplane News” that is.

On the cover... Mary and I had the pleasure of attending Louie Scheel's eighty-fifth birthday party along Ruby, and his children, grand children, great-children, and many of Louie and Ruby's friends. It was a wonderful party with lot's of great food and wine, song and dance, but most of all it was a chance to celebrate Louie's birthday with him and his family and friends. Happy Birthday Louie...
