**On the cover...** Please join with me in mourning the passing of fellow club-member Art Hall. Art passed away at his home in Incline Village on Thanksgiving Day. He had been fighting COPD, diabetes and heart failure for a long time but he was not able to beat a final bout with cancer.

We will always keep Art in our thoughts and our prayers and condolences go out to his wonderful wife Judy. Judy cared for Art through out his illnesses and with hospice care took care of him the last three weeks of his time at home.

Judy told me by email that some of her last conversations with Art were about his models and his feelings about our club. During all the years we had a an official Family-Membership Judy was a member of the club.

One thing is for sure, and that is that Judy can always consider herself a member of HSRCC. May God bless you, Judy. Our prayers are with you.
