Next Meeting - Saturday, February 22nd at 11:30 a.m. At The Pony Express Airpark (Weather Permitting) Lunch will be provided and It will be Show and Tell Saturday.

“Happy trails until we meet again.” Au-revoir.... Adios.... Hasta La Vista....Auf Wiedersehen... Adeus...Tchau....Arrivederci...L’hitraot... Any way you say it, we hate to see you go. If you haven’t renewed your HSRCC membership for 2014, this is your last issue of our Newsletter. So renew now and don’t miss a future issue. BJ

At the next meeting.... We will discuss the recent developments concerning the Disc Golf Course that is in the planning stages next to our field. Tom Reinbolt and I met with the Parks Planner, cccccc and had a good discussion about our club and how to best approach the new course from our point of view.

We will review the meeting with you and answer your questions at the meeting.

Weather permitting, we will have the meeting at the field at about 11:30 am. The club will provide lunch (probably pizza) and sodas.

It will also be “Show and Tell Saturday”, so bring along your latest or interesting project to discuss. We will have this part of the program first while we enjoy our lunch.

The field will be closed to members flying while the meeting is in progress... BJ

The Christmas Party 2013 ... was our biggest one ever. The evening was a lot of fun, the food was great as usual, and the fellowship was fantastic. After the meal, we had a brief business meeting where we made some awards, most notably the annual "Aces Award. 2012 winner Gary Fuller presented the 2013 winner, who was not able to be present. That winner was Ron Rohn. In addition, we had a new award this year, the Rookie of the Year Award. The first recipient, was Tristain Martel. Tristain's mom, dad, and sister were present to see him receive his award. The President also presented Gary Fuller and Dan Etcheto Achievement Awards for

their service over these past years. Dan wasn't present, and his award will be presented at the next meeting. The raffle was a great success this year. The grand prize was a Hangar 9 RV-8 ARF kit won by Tristain Martel. Duck Dynasty seemed to be the prevailing theme in the White Elephant gift exchange.

Special recognition and appreciation goes out to Sherry Siegfried for taking the pictures at the dinner. Making photos in this environment is really difficult with the poor lighting and Sherry did a great job. Thank you so much. BJ

And the year started out right..... It dawned clear and crisp on day one of 2014. There were many flights with some being more successful than others. Lance Morrison managed to have the first crash of the year but it was a mere bump in the flying experience compared to me loosing my wing on the Swizzle Stik more than ten hands high. Some excitement came about when a Nieuport flew over the end of the tables and the sunshades before getting back onto the field for trimming. In addition to our local flyers, pilots came from Gardnerville, Reno and Fernley. Keeping us warm was hot coffee and chocolate plus blueberry muffins, crispy crunches, German cake and cookies. Thanks to all who brought goodies. One of the highlights was seeing the beautiful scale C-45 twin making low passes and rolls over the field. This Frozen Finger Fun Fly had more aircraft and pilots than ever before. Next year we will be bigger and better if the temperature goes up to 70's due to Global Warming. Meanwhile, keep dreaming we hope to see you next year at the same place and the same time. Thanks for coming and here are some of the flyers and their planes. Gary Fuller

At the field...

A quorum of those present caught up with Ron Rohn at the field and presented him with the 2103 Aces Award. Mr. G. Fuller presided.

Guess who and what our Members are up to:
