HAPPY BIRTHDAY!

Harold Siegfried

Weather permitting we will have a Fun-fly at the field in the morning. There will be no competition, but there will be a Poker-fly for those who want to participate. There will be a five dollar buy-in with the pot split three or four ways depending on the number of participants. After flying, we will adjourn to Bullwinkles; and auction off two really nice airplanes. One is a receiver ready Goldberg Eagle with an OS .46 engine and the other one is a really nice Goldberg Tiger, receiver ready with a nice OS .46 engine. Both these planes are ready to go, just add your receiver and fuel.

Harold has been a member of HSRCC for over twenty years since he became a rc modeler. Over the years, he and his wife Sherry have been constant volunteers when ever the club has held outside events, or needed help You couldn't have a more kind,dedicated, and generous member. Please join us for this celebration, on occasion of his birthday.. Bob

Please join us in celebration of Harold's birthday.

Saturday, October 18th
at Bullwinkles Bar and Grill located at Highway 50 Garage, 10115 U.S. 50, Mound House, NV 89706.

Pizza and soft beverages will be provided by the hosts. Spouses and "significant" others are invited to join us.

This strictly a fun event... the club meeting part of the program has been rescheduled to a later date.

Bullwinkles, High Noon, October 18th.

And of course... there was a Telemaster in 1993.

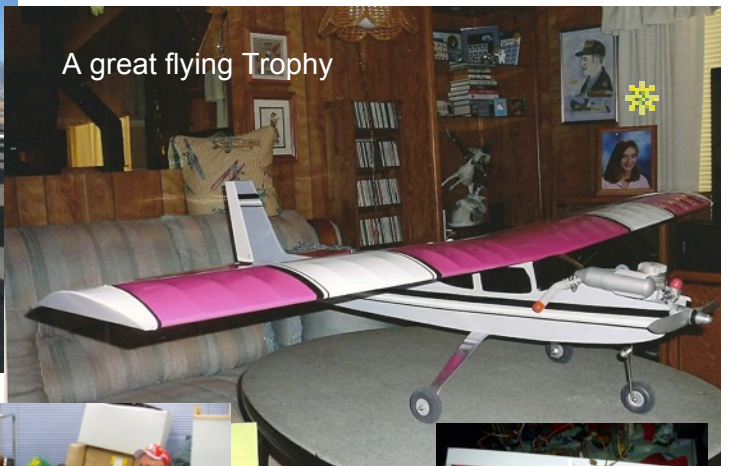

You have to start somewhere. Nothing like a Gentle Lady for a first plane. This was just the beginning in 1992.

Sometimes you just feel small-

The man never holds a grudge. Even though some of his best friends "re-kitted" some of his favorite planes. Probably his favorite, the Cessna 182 is just a memory, but one of his favorite Eagles lives forever in the form of a memento recognizing the piloting feats of others.

A great flying Trophy

Masters of Swizzle-Sticks

If you worked at NASA, you don't need a big shop to build nice models in..

The "Champion" Dragon - Fly. Make note of the superb color scheme., immaculate covering job and the tail-feathers.

Indicates "crashed" by another person.

Next Meeting - Saturday, November 8th. The meeting will take place at the field at 11:30 a.m. This meeting will be to elect candidates for the Board of Directors (Officers) for 2015.

MY FIRST , LAST, AND ONLY EDITORIAL AS NEWSLETTER EDITOR:

Thomas Jefferson is credited with saying “The government you elect is government you deserve.” For my purposes, I am going to modify his quotation to the read: “ The Officer’s, Model Airplane Clubs members elect, are the officers they deserve”. This meeting is your last opportunity to help determine the direction of the club in the coming year. Use it or lose it.- Bob Jones

Editors note:

In a late development, Dan Etcheto approached me at the field and told me he had been in conversation with Dave Vandenberg. Dave has expressed a willingness to take on the responsibility of Newsletter Editor and Secretary for 2015. That being the case, Dan has said he would be willing to serve as Club President and Webmaster. For this to take place, Dan and Dave will have to be nominated for the positions at the meeting on November 8th. Please plan to attend and support the slate of officers.- BJ
